

DEDICATION

This town report is dedicated to Mae Belle Byrne, Clarendon Town Clerk for 15½ years.

Mae Belle was first appointed as Town Clerk on July 1, 1971 to replace Eloise Pratt, who resigned due to ill health. On March 6, 1972 she ran for the office and was successful.

While serving as Town Clerk, Mae Belle also served on many town committees including: Planning Commission, Selectmen's Administrative Assistant and Board of Civil Authority Clerk.

She took over as Chairperson of the North Clarendon Chapel & Community Center Association, initiating suppers, card parties and square dances at the Center. Because of her concern for the senior citizens, she started the Senior Meal Site in Clarendon at the Grange Hall.

Mae Belle has devoted a great deal of time, effort and concern to the Town during her many years as Town Clerk. She retired on August 11, 1986.

It is not without a sense of loss that the Town bids Mae Belle, Farewell.

TOWN OF CLARENDON CEMETERY

After a slow start this year on cemetery maintenance, we finally caught up, thanks to help of many people. The West Clarendon Cemetery is finally being brought up to date and the availability of some lots is expected.

Again, community support means a great deal in the results we achieve.

EXPENSES:

III. SUPERINTENDENT'S REPORT

A. Enrollment:

There are 312 students enrolled in the Clarendon Elementary School for the 1986-87 school year. This is an increase of 5% over last year and an all time high. Each year it has been increasing gradually from 275 students in 1982-83, the first year we had kindergarten. These larger numbers have necessitated adding staff and are placing an increasingly heavier burden on our facilities.

B. Personnel:

Ronnie Solomka, Principal at the Clarendon Elementary School for six years retired at the close of school in June of 1986. The School Board and administration wishes to thank her for her many years of service to the school community. Her leadership was instrumental in making our school one of the finest in the area.

A full listing of teachers and other staff members is printed on other pages of this report. There are a number of new faces this year: Robert Snarski has taken over the reins as our new principal; Judith Lawry is teaching Grade 1, filling in for Monica Loyzelle who has been on leave; Helen Macheski has been serving as a Chapter I teacher; and Frances Kelley has taken on a position as a reading teacher. Also, Linda Klopchin has been serving as a cook in our school lunch program since last spring. We welcome all of these people to their new positions.

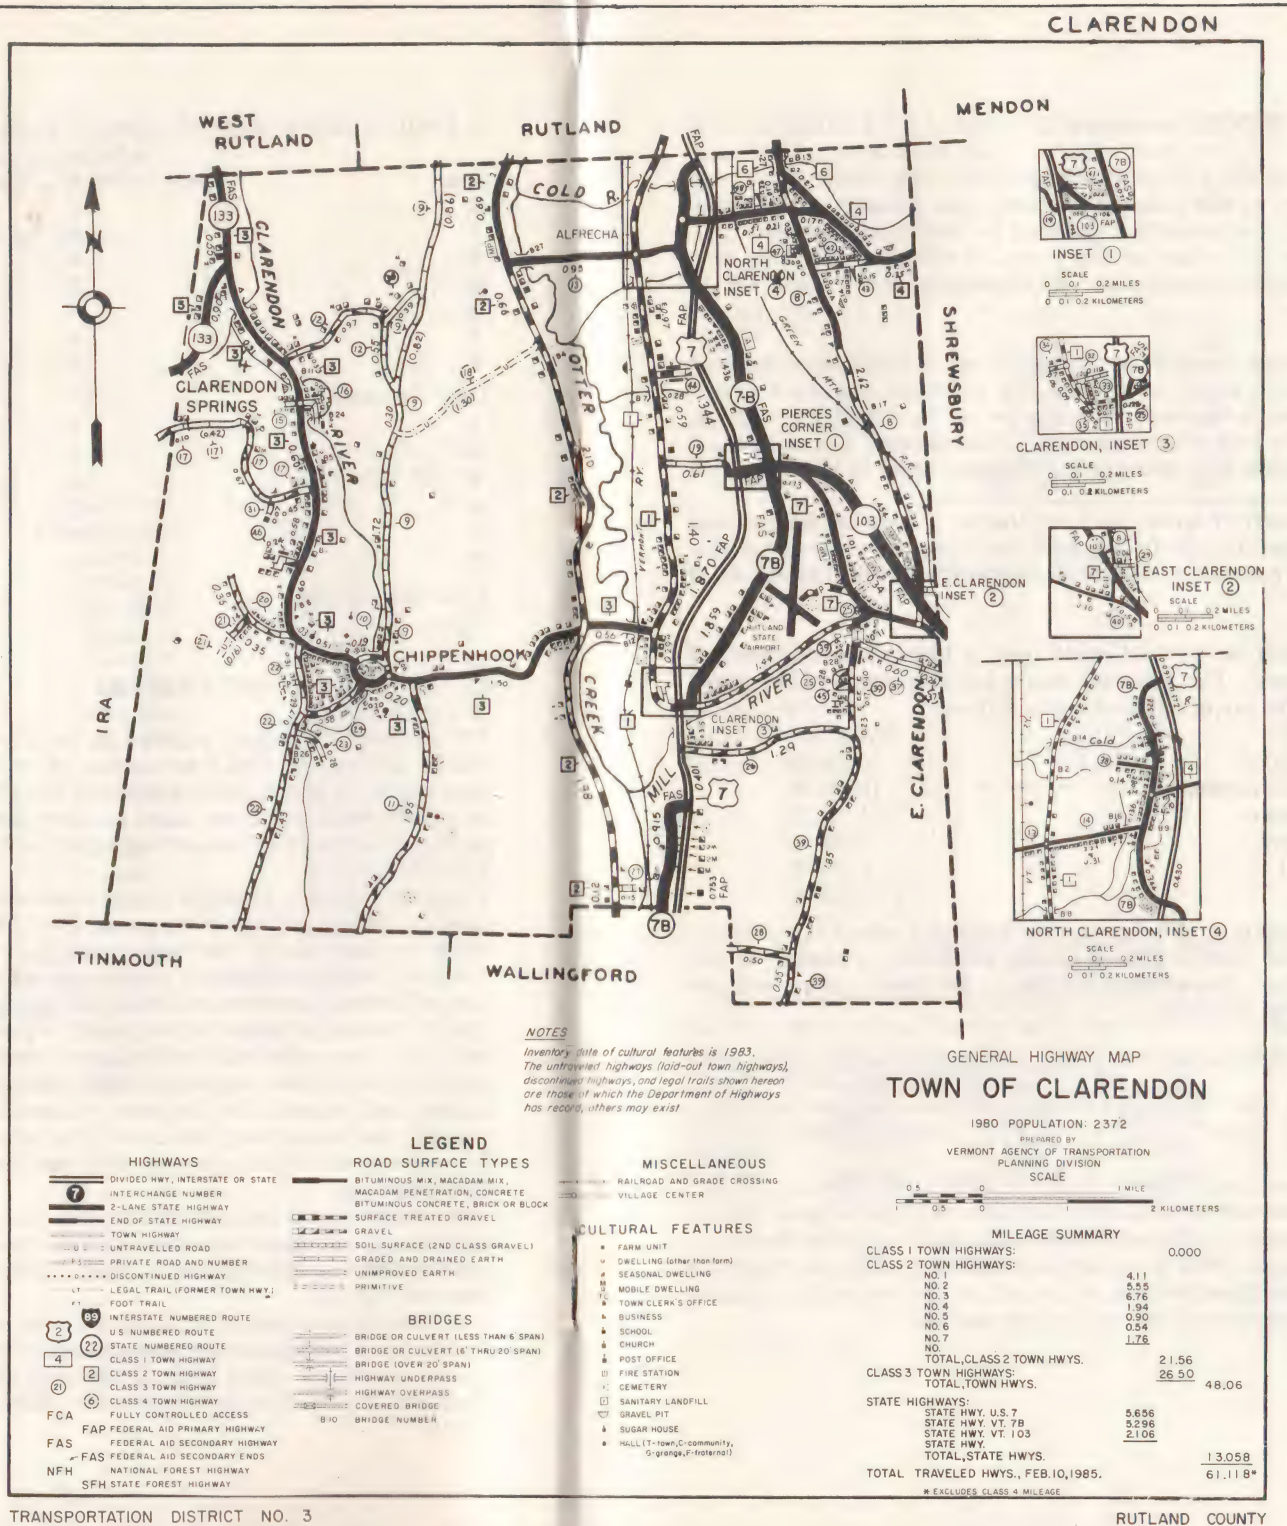

C. Curriculum:

The school board has recently adopted a new policy on school entry age. Under this policy a youngster must have attained the age of five (5) years by August 31, prior to entering Kindergarten. Copies of this policy are available through the school.

Improvements continue to be made in the schools instructional program, and teachers have participated in numerous workshops to improve their teaching skills. Special attention is being given to the areas of reading, mathematics, and health education. Teachers are being assisted by Paul Tracy, the district curriculum coordinator.

SUMMARY OF TOWN HIGHWAYS

SUPERINTENDENT'S REPORT (continued)

We have just completed our self-assessment under the new Public School Approval Standards. In April we will be hosting a visiting team to complete the evaluation process. As expected, this process has identified the need to add some new programs, and to add space for certain existing programs which have become overcrowded because of increasing enrollments. We expect that a full report will be available later in the year.

D. School Facilities:

Each year the board spends considerable time and money to improve and maintain the excellent school facilities we have. This past year additional painting was completed and work was done on the roads. This year we will be installing new energy management equipment to help control our electric heating costs. The payback on this equipment should be less than one year and therefore result in significant savings.

As mentioned above under "Enrollments", the student population has increased to the point where we must consider finding additional space for some of our programs. The Board will be addressing this issue and seeking to identify options which are available.

E. Budget Analysis:

The complete budget for the 1987-88 school year is included in the financial statements within this report. The proposed budget has elementary school expenditures of \$855,518.00. The major increases are as follows:

1100 Instruction	\$67,073.00
2200 Library-Media	10,130.00
2540 Building & Equipment	10,060.00
2550 Transportation	15,755.00
5500 Sinking Fund	5,000.00
Other (Net)	6,070.00
Total	\$114,088.00

The above figures represent a 15% increase in elementary school expenditures. Much of this increase is the result of a larger student population to educate, house, and transport. Also, we have increased our librarian to full time to comply with the new public school approval standards.

F. School Taxes:

The school tax picture for the past several years is illustrated in the table below:

	1984-85	1985-86	1986-87	1987-88
Elementary Taxes	-96,678	-104,313	-76,685	-25,568
Mill River	706,963	716,529	784,332	830,422
Total	610,285	612,216	707,647	804,854

In the above table, the elementary school tax appears as a negative figure because all state aid, even that earned by Clarendon Mill River students, is paid directly to the elementary school district. Thus it reduces the elementary school tax figure. In our budget we have assumed level funding in state aid. At this time we do not know what action the state legislature will take in funding state aid.

IV. STATEMENT OF LIABILITIES

Vermont Municipal Bond Bank — School Construction Bonds

	Original Bonds \$440,000.00	Paid to June 30, 1986 \$340,000.00	Balance \$100,000.00

ALDACE W. NEWTON TRUST FUND

Aldace Walker Newton, a distinguished citizen of the Town of Clarendon through his will, set up a trust fund to assist the Town of Clarendon in constructing and maintaining public schools. The current Trustees of this fund are Richard H. Pratt, Ruth West and Jean Murray.

The original amount of this fund was \$20,404.63. Each year dividends are turned over to Leland Congdon, Clerk of the School Board, for the use of the school district.

For the calendar year 1986, interest received by the fund was \$1,867.44.

TOWN OF CLARENDON 1986 SELECTMEN'S REPORT

The Board of Selectmen meetings are held on the 2nd and 4th Mondays of each month everyone is invited and welcome.

This year with the assistance and support of many people, much work has been accomplished. Ditching, paving of approximately 6 miles of road completed, and the start of repair of the Kingsley Bridge and the replacement of the 1 lane bridge on TH #3 Bridge #12 to a 2 lane bridge in 1987 are just some of the accomplishments.

Your continual support and participation will again see great achievements in 1987.

In advance, may I say thank you for your continued support.

Alphonse J. Bourassa, Chairman
Board of Selectmen

TOWN CLERK REPORT

In 1986, Land Records volumes 20 thru 24 were restored at a cost of \$2,142.00. Volumes remaining to be restored are 25 thru 27 and must be completed by September 9, 1987 to come under the current price quote of \$1,265.

DOG LICENSES

As of January 1, 1986, a surcharge of \$2.00 per license was added to the dog licenses as a result of a motion by the Board of Selectmen on 8/22/85. State Statute 20 V.S.A. 3581 allows for such a charge in those towns which have a dog ordinance. The fees collected are to be used to finance the enforcement of the ordinance. The selectmen appointed Carl Alexander as Dog Warden to answer any dog complaints.

Dogs licensed for 1986 were:

Males	— 136
Females	— 51
Neutered Males	— 97
Spayed Females	— 186
Total	— 470

Remember! All dogs 6 months of age and older shall annually, on or before April 1st be licensed. A current rabies certificate must be provided before a license may be issued.

TRANSFER STATION STICKERS

Current stickers for the transfer station will expire on May 16, 1987. New stickers will be available at the Town Clerk's Office and at the transfer station, at that time.

ZONING ADMINISTRATOR'S REPORT 1986

I issued 95 permits in 1986. The breakdown is as follows:

25	single-family residential (new construction)
20	single-family residential (mobile homes)
45	residential outbuildings, garages, additions, etc.
5	commercial (expansion of existing businesses)

No new business located in Clarendon in 1986.

Linda Spencer,
Zoning Administrator

CLARENDON VOLUNTEER FIRE ASSOCIATION, INC.

The Association had a very successful 1986 with the raising of \$36,000.00 to help support the department. Weekly bingos, our annual auction, Grandstand work at the Rutland Fair and raffles, were some of the projects that made this goal possible.

This money was used to buy seven Motorola pagers, a new antenna for our base radio, two insulated overhead doors for the Chippenhook Station and 55 gallons of foam to help fight petroleum and aircraft fires.

We also refurbished our 1975 Pumper and 1978 Tanker to help keep down the cost of buying new vehicles.

In 1986 the men spent 1,270 hours on training, given by our department, a 48 hour school in "The Essentials of Firefighting" provided by the State of Vermont Fire Service Training, a Rutland County school held in Castleton and four officers attended a Hazardous Materials seminar held in Claremont, New Hampshire. This year the department established a day drill program for firemen who work nights.

During 1986 we received 56 emergency calls as follows:

Alarm System	3	Bomb Threat	1
Vehicle	10	Search for Child	1
Brush, Grass	13	Dump	2
Chimney	6	Electric Pole	1
Plane Crash	2	Smoke Call	2
Sawmill	2	Flooded Furnace	2
Structure	4	Refrigerator	1
Overheated Motor	2	Gas Spill	1
Trailer	2	Baby not breathing	1

We went out of town on Mutual Aid calls 5 times and we received aid twice. Our equipment was used a total of 195 hours at fires and firemen spent 1223 hours at fires.

We participated in the Rutland Loyalty Day Parade, Chittenden County Muster in which we received the Sportsmanship Award, a parade in Wildwood, New Jersey, a truck and two men went to a parade in Castleton and the Annual Vermont State Firefighters Convention held in Bennington. At the Convention, we were awarded Best Appearing Tanker and third place for Best Appearing Marching Unit with Apparatus. In the sporting events we won first place in Midnight Alarm and second place in Waterpolo.

Through the support of the firemen, Ladies Auxiliary and Townspeople, we have obtained a department that we can be proud of.

Respectfully submitted,
Phil Pinkowski, Jr., Chief
John Hale, President

CLARENDON FIRE DEPARTMENT AUXILIARY

The year of 1986 was successful for the Clarendon Fire Department Auxiliary. The treasurer reported a balance of \$3,413.63 and we have 24 paid members. We hold our meetings at the Clarendon station on the second Monday of each month, we encourage anyone to come join us at these meetings.

We held many projects this year: Ham Dinner for the Eastern Breeders Association, Ham Dinner for the D.H.I.A., a Beef Dinner for the Rutland County Farm Bureau. We served refreshments and held a rummage sale at our Firemen's Auction. We had a Recipe Book sale and served refreshments and sold 50/50 Raffle tickets at our weekly Bingo Games.

The Annual State meeting was held in Bennington, Vt. this year. We are very proud to have brought home 6 game trophies and 3 parade trophies.

Officers for 1987 are: President — Beth Sheeche, Vice President — Kim Ridlon, Secretary — Beverly Brown and Treasurer — Jean Murray.

We wish to thank all the townspeople who have helped and supported our efforts throughout the year.

Respectfully submitted,
Beth A. Sheeche, President

CONSTABLE'S REPORT

In 1986 the Town Constables traveled a total of 501.9 miles on situations handled in the Town of Clarendon.

Dog Complaints	11
Patrol	8
Miscellaneous	76
Asst. State Police	2
Vandalism	0
Locating Persons	0
Radar	1

We have a total of 45 hours of training through the Rutland County Law Officers Association.

Respectfully submitted,
David J. Murray, Constable
Gilbert F. Baker, Second Constable

REGIONAL AMBULANCE SERVICE, INC.

1985-1986

ANNUAL REPORT

During Regional's third fiscal year there was a steady growth of the stability of our service. Regional's trip volume was 2,825 up 268 trips from the previous year.

Regional introduced a low cost membership program developed with two thoughts in mind. One to raise additional operating monies and at the same time give a savings to the member, should the need arise. In addition it will tend to help offset and control the assessments to the individual towns by raising additional money. This program thus far has proven to be a benefit to all.

Regional's billing and accounting functions were strengthened by acquiring a computer. Although the entire system is not completed the functions that have been completed have proven to be an asset to our service.

Regional's field equipment was upgraded with a newer ambulance to replace a 1976 ambulance used since the service began in 1983.

In regards to special public services Regional taught numerous C.P.R. classes. Over 300 citizens received instruction on Cardiopulmonary Resuscitation. Regional stayed on standby for numerous public events and working fires.

These and other projects were implemented to provide the citizens of Clarendon with the best cost efficient ambulance service available. The Board of Directors and the Administration of Regional Ambulance Service, Inc. will continue to provide the highest quality emergency ambulance care at the lowest possible cost to all of the citizens served.

Respectfully submitted;
Doris Weeks
Clarendon Town Representative
RAS Board of Directors

David Melen,
President
RAS Board of Directors

RUTLAND COUNTY SOLID WASTE DISTRICT

The Rutland County Solid Waste District Formation Agreement, Article IV Section 2a, stipulates that "annually on or before December 1 the Board of Supervisors shall prepare and distribute to the legislative body of each member municipality for review and comment an annual report of its activities including a proposed budget of the District for the next fiscal year". The Board met on November 12, 1986 and approved a preliminary budget for presentation to the member towns. Following a public hearing on December 17, 1986 a final budget will be adopted at the Board of Supervisor's meeting on January 14, 1987.

Once again the final two months of the year may include several important decisions which may affect the completion of the formal printed report which summarizes the years activities. These include the petition to the Public Service Board to reopen the 248 permit process, outcome of the CVPS rate case and change order negotiations. The formal 1986 report will be finalized in late December to accommodate any decisions reached in these administrative processes.

The proposed 1987 budget contains several new items including a full time staff person to assist the District in preparing for the operational phase of the resource recovery facility. These duties will include the implementation of the tipping fee payment procedures and inventory/management of industrial/commercial wastes within the District. A new \$5,000.00 item has also been added to perform a limited baseline monitoring of several background environmental parameters prior to plant operation. The District is also proposing to use a recording secretary for District meetings in order to improve the consistency and reduce the cost of preparing meeting minutes.

In addition to the new line items, several other items have increased significantly over 1986 levels. Under contracted services, both the legal and engineering items are increased in anticipation of continued negotiations of the Vicon change order requests. The household hazardous waste collection has also been expanded to \$20,000.00 to reflect a desire by the Board to increase this activity in 1987.

RUTLAND AREA VISITING NURSE ASSOCIATION, INC.

P.O. BOX 226

CENTER RUTLAND, VERMONT 05736

ANNUAL REPORT — 1986

To: The Board of Selectmen and Citizens of Clarendon

Home visiting and caring for people is the primary goal of the Rutland Area Visiting Nurse Association. Our health programs continue to provide many services that are needed in your community. We are doing our best to help support the patients, and families that wish to remain at home during illness and aging. The rising cost of health care and the strong desire of people to remain in familiar surroundings has promoted the use of Home Health services.

The report of services have been provided to your community is as follows:

Unduplicated patients		43		
		Visits		
Skilled Nursing	463	Homemaker	165	
Home Health Aide	339	Live-In	-0-	
Physical Therapy	96	Clinic Services	12	
Speech Therapy	6	Prenatal Couples	13	
Occupational Therapy	20			

We continue to work closely with all health-related organizations to promote the highest quality of health care to your community.

The demands on our Agency are growing rapidly since they initiated the early discharge from the hospitals. More people need our services to cope with their health problems. We are providing many more skilled services to sicker people in their homes.

We will continue to do our best to meet your needs. If you, or your family, needs help, please call. The Rutland telephone number is 775-0568 (24 hours - 7 days a week); Castleton is 468-5668, or Brandon - 247-3111 (Monday through Friday, 8AM-4:30PM). We have staff on call for all areas seven days a week, twenty-four hours a day.

It has been a pleasure to serve you and we look forward to another busy and rewarding year.

Sincerely
Evelyn Doyle
Executive Director

GREEN MOUNTAIN COUNCIL, BOY SCOUTS OF AMERICA

In 1986 over 10,000 Vermont youngsters were involved in the Boy Scout program. Nearly one of four (23.54%) of the youth available in the 6-13 age range enjoyed the traditional program phases of Tiger Cubs, Cub Scouts and Boy Scouts. In addition, over one percent (288) of the high school age young adults (male and female) were participating in the Exploring phase of the BSA program.

This remarkable achievement is possible only through the spirit of volunteerism so willingly shown by many of your townspeople as no tax dollars are involved in the support of Scouting.

You will be interested to know that because of the efforts of 36 No. Clarendon adults, a total of 75 youth (10 Tiger Cubs age 6, 58 Cub Scouts ages 7-10, 7 Boy Scouts ages 11-18, and 0 Explorers ages 14-20) received the benefits of Scouting in No. Clarendon in 1986.

Additional information on the Scouting program may be obtained by calling the Green Mountain Council at 1-800-722-1270.

Sincerely,
Robert J. Kumbera
Scout Executive

THE VERMONT CENTER FOR INDEPENDENT LIVING'S 1986 ANNUAL REPORT TO VERMONT TOWNS

The Vermont Center for Independent Living is a private, non-profit organization which works to assist disabled Vermonters in increasing their independence. We work throughout the state with disabled individuals, their families and friends, other organizations and agencies, and the general public to reach this goal.

VCIL was founded in 1979 by a group of Vermont's most active disabled citizens. Our Center is managed and staffed primarily by persons who have disabilities — people who understand this unique experience first-hand. Our organization demonstrates that disabled people are best able to speak for themselves and make the decisions which affect their lives. Through providing people with information, helping them learn to problem-solve, set goals and develop new skills, and through assisting them in expressing their needs and concerns effectively, we help disabled people develop self-sufficiency and independence.

VCIL currently has five programs which work to assist disabled people in increasing their independence. We also work to increase the public's understanding of the needs, concerns and aspirations of the disabled community and work with other organizations, state agencies and policy-makers to increase the options which will allow people having disabilities to live full and productive lives. In the past year VCIL has provided support to over 2500 disabled individuals, organizations and members of the general public.

During the past year, VCIL may have interacted with the residents of your town through our Peer Advocacy Counseling Program, our Information and Referral System, the Client Assistance Program (1), and sends *AccessAbility* our newsletter to 7 individuals who reside in your town.

VERMONT DEPARTMENT OF HEALTH Annual Report to the Citizens of Clarendon

The mission of the Vermont Department of Health is to prevent illness and to control or eliminate hazards dangerous to the health of the public. In working toward this goal, the Health Department has provided, or assured the provision of, health services to communities across the state. Direct services are provided through 11 local Health Department offices. During fiscal year 1986, citizens of Clarendon received the following services from the Rutland office:

67 pregnant women, new mothers, and children received supplemental foods, health and nutrition services through the WIC program.

3 children and young adults received medical evaluation of individual health and dental status through the Partners in Health program.

20 persons received information and counselling through the Maternal and Child Health program and/or information and teaching of parenting skills through prenatal classes and home visits.

15 children received comprehensive health assessments and preventive guidance at Well Child Clinics.

Diagnosis and treatment services for orthopedic, hearing, cardiac, genetic, developmental disorders, or other handicapping conditions were provided to 13 children through the Handicapped Children's program and/or the Child Development Clinic in Burlington.

The Vermont Department of Health Laboratory in Burlington helps to prevent and control illness by identifying chemicals and microorganisms in a variety of substances. During fiscal year 1986, the following laboratory services were provided to residents of Clarendon:

111 blood tests to identify women needing immunization against German Measles (Rubella) to prevent birth defects,

35 other diagnostic blood tests,

169 tests of individual and municipal water systems to monitor drinking water quality.

The Dental Division provides services to local communities including installing and maintaining fluoridation equipment in selected community and school water systems, paying for dental treatment of eligible children, and providing dental health education in the schools.

Roberta R. Coffin, M.D.
Commissioner of Health

SOUTHWESTERN VERMONT AREA AGENCY ON AGING **Report to the Citizens of Clarendon**

This agency projects that it will spend \$20,060 to assist elders in your community during its current fiscal year.

We provided the following services to elders residing in your area during our past fiscal year which ended September 30, 1986:

Senior Meals

Site: Clarendon

Schedule: Thursday, Congregate. Mon., Wed., Thurs., Home Delivered.

1524 meals were served at the site to 59 elders.

2122 meals were delivered to the homes of 18 elders who were homebound and unable to come to the mealsite. This service is often called "Meals on Wheels".

Senior Advocate Assistance

45 persons over 60 received help through this program. Elders were assisted with applications and problem resolution in benefit programs such as Medicaid, Food-stamps, and SSI. Advocate staff also helped a number of elders who had questions or problems related to health care payments and insurance claims. Additionally, Advocates helped elders file Vermont tax rebate claims and assisted with applications for energy program assistance.

RETIRED SENIOR VOLUNTEER PROGRAM (RSVP)

Since 1973, the Retired Senior Volunteer Program (RSVP) has been working with senior citizens (60+) throughout Rutland County, assisting them to volunteer their time, wisdom and skills with non-profit organizations in Rutland County so as to enrich their lives while providing supplemental staff to agencies with limited budgets.

In 1985, 365 RSVP volunteers contributed 63,116 hours of service to more than 88 non-profit organizations in the County.

Currently there are 7 active North Clarendon RSVP volunteers donating their time to the following organizations: Beverly Manor Convalescent Center; Chaffee Art Gallery; Clarendon Elementary School; Eden Park; One-2-One Program; RSVP Special Projects; Rutland County Diversion Program; Rutland Regional Medical Center; Rutland Senior Chorus; Southwestern Vt. Area Agency on Aging Nutrition Program. To date, their combined hours of service totals 822.

We encourage and invite any senior citizen to call RSVP at 775-8220 to learn more about volunteering with the RSVP program. The benefits are many: a sense of purpose, recognition, acceptance and the knowledge that they are contributing to the community of North Clarendon.

Over the years the support that has been shown RSVP by the voters of the Town of North Clarendon has been greatly appreciated. We thank you and pledge our continued efforts to be of service to you.

Anne P. Rowe, Director
November 6, 1986
